PROFESSIONAL EXPERIENCE

Tech Customer Support – Google

Cognizant Technology Solutions | 2025-2026

- Reviewed and validated traffic events, road closures, and map edits for Google Waze using internal mapping tools to ensure accurate navigation data.
- Analyzed user-reported incidents and system-generated alerts in compliance with Google policies and service level agreements (SLAs).
- Performed non-voice back-office data processing, including verification of location details, duplication checks, and event categorization.
- Investigated map discrepancies and routing conflicts to support real-time traffic reliability.
- Collaborated with SMEs and quality teams to resolve edge cases and improve decision accuracy.
- Maintained high standards in quality, productivity, and compliance metrics while meeting daily targets.
- Documented case findings clearly to support audits, process improvements, and knowledge base updates.
- Adapted to frequent policy and tool enhancements in a fast-paced, metrics-driven environment.
- Ensured strict adherence to data privacy and information security requirements of the Google account.

Escalation Analyst – Meta

Concentrix CVG | 2024 – 2025

- Resolve complex technical inquiries via phone, email, and chat, providing comprehensive step-by-step technical guidance to ensure customer satisfaction.
- Manage end-to-end issue resolution by performing consistent follow-ups and strategically escalating high-priority cases to senior support tiers.
- Collaborate with engineering teams to identify and report software bugs, contributing to product iterations based on recurring customer pain points.

Product Support Analyst, Tier 2 – Meta

Concentrix CVG | 2023 – 2024

- Provided advanced troubleshooting and technical assistance for Meta's suite of products and services.
- Conducted rigorous software testing to replicate reported defects and validated the integrity of deployed fixes.

INTERNSHIP

Clinical Intern

Sol Psychological Services | 2023

- Formulated Mental Status Examination (MSE) reports and comprehensive case summaries through diligent clinical interviewing.
- Facilitated community psychoeducation initiatives to increase mental health awareness and literacy.

Human Resource Intern

Elite Summit Life Insurance Agency (Pru Life UK) | 2022

- Optimized the recruitment pipeline by screening applicants and conducting initial interviews to assess candidate fit.
